We can only turn inside by showing me yourself. I won’t ever be too far away to feel you, and I won’t hesitate at all whenever you call. And I’ll always remember the part of you so tender. I’ll be the one to catch your fall whenever you call.
And I will breathe for you each day, comfort you through all the pain, gently kiss your fears away.

You can turn to me and cry. Always understand that...
I give you all I am inside.

And I won’t ever be too far away to feel you,

and I won’t hesitate at all whenever you call.

I won’t ever be too, be too far to feel you, and I won’t hesitate at
